“ Gerson had a big heart and no doubt would give you the shirt off his back. Although he may have been a bit rough around the edges at times, he was a meticulous person and taught me a lot about attention to detail. I had the opportunity to work for him for a short time and I learned so much. Learning of his passing was not only devastating but also sudden. Before covid I would see him at the YMCA where we would walk the track, chat and make fun of each other. Unfortunately those times came to an end and I didn't see him anymore at the gym. I have many regrets which one of the biggest is not calling or keeping touch with him. I can only blame myself but I know now he's no longer feeling pain and is in a happy place. I can actually see him standing at the fence line with shadow chatting up with my grandma and grandpa. RIP Gerson!

“ I was so sorry to hear about the passing of Gerson. I have known Gerson for nearly 50 years . Gerson was a straight shooter, while we may not have always agreed , we could have a great dialog and debate and remain friends in the end . Gerson was very happy when he was exploring some very remote parts of the world. When he was younger he loved his adventure travels . I am sorry for Linda and the family's loss.
