“ My dear friends Margo and Debbie, I was sorry to hear about the loss of your beloved father. I will always remember how kind and sweet he was on the few times he came to Arizona. He is gone, but he lives on in our memories and we will see him again in the world to come.

“ It is sad that you died two times. Once when you leave your physical body and the other when the last person speaks your name. Gil will live a long time. We know that from all the people who write up the wonderful memories of him
