April, As you know, Harry was a wonderful friend of mine for so many years in and of the community. A man of distinction and a man caring for others. I had a very special relationship with him and one which continues with you, as well. May he rest in peace and may his memory be for a blessing in the book of life.

“ *Dear April and family:*
While Harry's passing was expected, it was still a shock to my system. Harry was such a wonderful person. He could carry on a conversation with anyone. He always took care of his family, his friends and his community.
I think of him smiling and laughing at your kitchen table with all the high school girlfriends around him.
He will certainly be missed.
May his memory be for a blessing.
