“ Dear Iris and family, I join scores and scores of others who mourn with you upon Harvey's death. He was above all a friend and a gentleman. What a pleasure it has been, to be close neighbors these past few years. I still miss Fred, and now must add Harvey to my growing list of lost friends. Our community is so much the worse. Sincerely, Dan.

“ *The Diamond,*
No words will ease the pain for your loss. I can only offer these five words:
"Harvey was a true Mench"
