“ To All,
Those of you that knew Harvey will agree with me. Harvey was a plain down to earth fellow. Good fellow with a great way about him. Harvey enjoyed a good time and was always the first with a good joke or story.
We were friends from Woodward High School days, We did not keep up with each other but that didn't matter. When we saw each other we could pick up a conversation just like we saw each other the day before.
Bottom line, Harvey was one of the good guys.
Rest in peace my long time friend.
