“ *I wish I got to get to know her more! Meeting her so many years ago was one of the most rewarding experiences of my life and I won't forget it. Her love and her kindness, and her fighting spirit, will be something that I never forget. She was one of the last Holocaust survivors, and God bless her for carrying that terrible memory to the limelight so that the horrors of that genocide will never occur again.*

*My condolences to Sherry, Tina, Vik, Anjali, and Eliana during this difficult time.*

“ *Mrs. Finkel was so welcoming to us wild teenagers in the 60s. Probably few of us had any inkling of what she endured. Meeting her again later, she was just as welcoming. What a strong woman she was. Sherry, and family, my sympathy for your loss. May her memory be for a blessing.*

“ I've had the pleasure and honor of knowing Helen for a good part of 50 years, this came about with the wonderful and loyal friendship I had with her daughter Sherry, Helen or as I prefer to say Mom whenever I in her presence always made you feel welcomed and loved, ,I had the honor of accompanying mom and her daughter Sherry to the opening of the Holocaust Survivor Museum at Union Terminal in 2019 ,it was a very proud and humbling experience for which I was grateful to be by mom side during the ceremony to honor all survivors for which this strong woman survived, may she find peace finally in heaven, we the people she leaves behind friends and family alike are so much richer and wiser to have known so a wonderful woman and friend !!!!
