“ Dear Maria and family. I am very sorry for your loss. I remember Mr. Berman as a sweet and supportive and intelligent man. He had a great sense of humor too! I remember visiting Maria many times at their house. We would eat kefir and raisins and drink tea. One time we were all having a conversation and Mr. Berman started speaking in Russian to me. I didn't know what he was saying but I just kept looking at him and shaking my head because it seemed very important. All of a sudden he realized that I didn't know what he was saying and he broke out in huge laughter. May his memory be eternal ! Love always
