“ *I'm shocked and saddened to hear of Hank's passing. He was a friend of mine while in youth group at Temple Israel in Dayton. May his memory be a blessing and may those memories bring comfort all those who are grieving.*

“ *Hank will be missed. His warmth and laughter never failed to brightened our day. Even when disagreeing on current events Hank was always open and kind. Hank's generosity was evident when he always invited the entire congregation to his home for a Yom Kippur meal :-)) Seriously, he opened his house and heart to us. I remember when Gail and my wife read the Torah, Hank commented how blessed and proud he was to have Gail as his wife. Hearing Hank praise Gail and reciting Woman of Valor to Gail are cherished moments. Hank's hugs and warmth during the High Holidays will be missed. Hank is a blessed memory and we will miss him.*

“ *Gail and Family,*

I am so heartbroken when I read this and my heart hit the floor. Hank/Henry was a special kind and funny person. Ever since we made Aliyah to Israel Henry and I were always sending jokes back and forth and sharing the same sense of humor. I will surely miss him and the good laughs. Barauch Dayan HaEmet

“ Hank, as we knew him, participated in a brotherhood work weekend at the Goldman Union Camp in Zionsville, Indiana for decades. This annual event brought together Jewish men from around the Midwest to do building and repair work at the camp. Hank loved this event and the guys all love him. He always had a smile and a joke for everyone. He was know for always being the first participant to arrive at camp and for us never having to cook his steak for more than a minute. He will be missed!

Hi, Hank Stern is a very nice person who everybody liked at Western College of Miami University(1977-1981). Even if you did not know Hank well, you still called him, "Friend". I'm sorry I lost touch with Hank. I'm sure Hank had a wonderful life.

Hank was such a special soul with a quirky sense of humour and a personality that filled the room. He was a precious friend from Western and our children attended the same schools in Centerville. I am heartbroken to learn of this loss. I can only imagine the depth of the grief of Gail and the girls. May God's peace surround them and comfort them in these dark days.
