“ *My condolences to Alfie and the rest of Herbie's extended family. My brother Mark had just spoken to Herbie last week. They have been friends since Woodward days. I remember their junior year. Mark and I would pick him up and we would drive to school together. He was like another big brother to Jon and myself. Rest in Peace old friend.*

“ *Herb fed me when I was hungry and encouraged me when I was down. He was my cousin and more importantly, my friend. We never ended a phone call without saying "love you". I will miss you, my friend and my brother. Sweet peace at long last.*
