October 3, 1925 - December 9, 2020

### HOLLIS OSEAS

CINCINNATI- Hollis (Holly )Samuels Oseas, loving mother of Andrea (Gary Jefferson) Oseas, Eric (Lyn) Oseas and Emily (Eric) Routman, beloved grandmother of Jesse, Dylan, Jeremy, Adam and Nathan passed away on December 9, 2020 of natural causes. Her loving family was with her at Wellspring in Cincinnati, in whichever forms were permissible during a pandemic lockdown. Holly was born in Chicago on October 3, 1925. She received her BA in Music from Northwestern University, and a MA in Education from the University of Cincinnati. Always a talented violinist and artist, she found her true calling and creative outlet as a teacher specializing in learning disabilities. Active in civil rights beginning in the 1960's, she dedicated her life to all forms of equality, especially helping the learning disabled get a productive foothold in a complex and challenging world. Holly will be remembered for her ready laugh about any and all funny aspects of life, not the least of which was herself. She was, by all accounts, a true original, warm, joyous, creative, and fun. Private services held at the convenience of the family due to COVID-19. Memorial contributions to Leukemia & Lymphoma Society (lls.org) would be appreciated.

“ *Holly our long time neighbor was an original. She always had a smile on her face ,cheerful disposition and never said a bad word about anybody. She always thought outside the box. We loved her very much. and missed her everyday since she moved to the Evergreen. May her memory always be for a blessing.*
