“ When I was a new rabbi and new to Cincinnati, Hugo came to see me and greeted me with "Sholomaleikhem," which put me very much at ease. Over the years, I encountered him in various Jewish settings, and I appreciated his energy and mesirut nefesh. Hamakom y'nahem et'khem.

“ Rena & Ethan, We were so sorry to hear of the passing of your dear father. We are stuck in Florida and so will not be able to visit during Shiva. We did watch the levaya on Zoom. We cherish the time we spent with him at Cedar Village. He was an inspiration the way he conducted himself during his ordeal. We go back a long time together. He was so proud of both of you. May his memory be for a blessing.
