“*Ida was a true mensch-ette in every sense of the word; kind, funny, caring, and attentive to others. I remember how actively she participated in events at Cedar Village and how she took a personal interest in the lives of those around her. And she was so proud of her children, grandchildren, and great-grandchildren. I will miss her!*

“*Ida was a great friend to me at Cedar Village where I taught jewelry classes for over a decade. She always waited for me so she could discuss the jewelry she would make for family, and for herself. Then, after she had dinner, she would come back to the class to check on me, and maybe bring me a piece of fruit. She always asked about my family, whom she knew, and often had me to her room to hang out and she even showed me the official letter from the White House upon her 100th birthday. I think she was even more proud of the one she received from the Cincinnati Reds!! I always looked forward to seeing her, and I will truly miss her friendship.*

“ *Ida was a resident at Cedar Village when I worked as the assistant manager in the area where she lived. She was one of my absolute favorite residents. She always had a smile on her face and was willing to help everyone. She was in charge of the pantry and took her position very seriously. I moved away from Cincinnati 12 years ago, but every time I came back to visit, I made sure to visit with Ida. Death can not take that which is locked in our hearts. With our tears in our sorrow we remember. May she rest in peace.*
