“ Ilene was a wonderful neighbor of ours in Ridgewood. When our kids were young, they would see Ilene walking by with her dog Madison and say hello. Our son Cal took a liking to Ilene, and at the age of 4 or 5, he would have 20 minute chats with Ilene every time he saw her walk by. She was so sweet to him and to all the people and animals in our neighborhood. She will be missed. Our condolences to her family.

I'm so sorry to hear about Ilene's passing. She was a wonderful dog sitter to Max, my daughter's yellow lab, different times, and took such good care of all the dogs she dogsat for many years. I remember her fondly for her frequent visits to the Pleasant Ridge Library where I worked, and she was an active participant in our knitting circle for years. Ilene was one of those rare souls who helped make the world a better place. She will be missed!

“ To all of my cousins in the Hodesh family. My heartfelt condolences. Although I've lived away for more than 30 years and I didn't see Ilene for many years we grew up together. Such a kind soul.

“ Ilene. While I didn't know you well, I know you were so loved by my mom (Barbara Koshover Forbus) - one of your longtime friends. You were always so kind when you'd come over to our house back in the day to play mahj. It was cool talking about our mutual adoration for dogs. Thinking of the entire Hodesh-Festenstein family; Ilene, may your memory always be for a blessing! ❤️, Nikki Forbus

“ I am so sad today to hear of Ilene's passing . We were wonderful friends in High School and Sorority Sisters. I don't know how or when we lost contact. When I think of Ilene I think of her nails always being done and her Villager outfits with socks to match. We could never forget the Weejuns. I am so sorry Ilene for you and your brothers and all of your family. Rest in Peace my dear friend. Until we meet again sweet Ilene. Love you, Cindy Rapp Hoeffel

“ Leenie, our friendship goes back a long way. I’m so grateful we had that last FaceTime call a few days ago. I predicted you’d notice my new glasses and you did. I will remember your special smile, your great sense of humor always making me laugh, your love of all things purple and your devotion to caring for animals. My condolences to Stuart, Michael, Rachel, and the entire family. I so admired your bravery and positivity throughout your illness. Rest In Peace my dear friend. I will miss you, our long phone chats, and having you in my life. May your memory always be a blessing to all who knew and loved you.

*Every Ridgewood pet and every neighbor, in that order, knew Ilene. She walked dogs in the neighborhood daily, and along the way she greeted everyone she met with her broad smile and genuine interest in how they were doing. Ilene was one of the matriarchs of Ridgewood's long-standing reputation as a neighborhood where everyone looks out for everyone else.*
