“ *I was shocked and profoundly saddened to hear about Ilya z"l. I remember him with the greatest respect and fondness as an outstanding Neshamah in every way. My heart breaks for Ilya and the family. I am all too familiar with the grief, pain, devastation and feelings of unfairness having also experienced my young son's death and recently my wife's death. Ilya's tragedy has touched many people because he was such a fine young man. The ripple effects brought the sad news to me through his mutual friends. HaMakom Yinachem Etchem - I cannot offer sufficient words of comfort or consolation with such a tragedy I can only say to the family that you and Ilya are in my prayers and my heart.
