“*Mrs. Stamler was my 5th grade homeroom and English teacher. She was brilliant, kind, and devoted. I was not! She loved me anyway. I wish I had been as good a student as she was a teacher. I shall never forget her.*”

“*Mrs. Stamler was my 7th grade teacher at Saylor Park School. I think she had just moved here from New York and we teased her about her accent and some of the phrases she used. She took it all in stride. She was the best teacher I ever had. She was young and had new teaching methods. I kept in touch with her for several years and visited with her on many occasions. She wrote a play for us to perform at Christmas "This is Your Life Santa Claus. Our whole class went to her home on Daly Rd. to watch it. I respected her and the advise she gave me. She was a great person and I am fortunate to have had her in my life. She is one of the top 5 people who influenced me the most. I will never forget her and the impact she had on my life.*”
