

Dr. Jack Benmayer

September 18, 1931 - November 11, 2023

DR. JACK BENMAYOR, 92, passed away peacefully on November 11, 2023 surrounded by loved ones in Cincinnati. He leaves behind a legacy of love and wisdom that touched the lives of so many. Devoted husband to Beverly for over 71 years, he created a home filled with warmth and unwavering support. As a father, Jack was a guiding light to Susan and Mark (Dianne), instilling in them values that shaped their paths. His joy as a grandfather to Josh (Amy), Jessie (Ben), Alex, David, and Rob was immeasurable. Being a great-grandfather to Noa, Nash, and Zoey brought him newfound happiness. Jack was a beacon of positivity, radiating joy and making everyone around him better, and his memory will forever be a source of comfort and inspiration. A private service and celebration will be held in his honor. In lieu of flowers, memorial contributions to a charity of choice would be appreciated.

You can watch the services via zoom on Tuesday, November 14, 2023 at 2PM by following the link below:

“ Heartfelt condolences to Bev, Sue and the entire Benmayor family. There simply are no words just the love and support of family and friends who offer up what small comfort we can. What a truly special person Jack was ... warm, sweet, kind, compassionate, gentle and oh-so-funny. How blessed you all were to be loved by him. He will be forever missed but he will remain in the hearts of all of his special LBK friends who loved him so deeply. Thank you for sharing him with the rest of us. Sending love, strength and courage to help see you all through these most difficult days. xoxo Much love ❤️💔

“ He was my Mother's first cousin but was always "Uncle Jack" to my sisters and me. He was one of the most kindest people I've known. He always had a kiss and a smile for us. And he was an excellent dentist. After he retired, my next dentist remarked about his quality work.

We will miss him greatly. My heart goes out to Bev, Mark, and Susan and the rest of his family. May he rest in peace 🙏.
