“ Hi Bev and family! Could we ever forget Jimmy's fashion advice regarding sear sucker suits after labor day?! We are so saddened but glad that his difficult journey is over. Loved his smile, humor, caring and of course I loved how tall he was! Thinking of all of you! 💖 Julie and John Cohen

“ Jimmy and the Kanters have always been like family to me. Jimmy was like my 2nd dad. His compassion and kindness were ever-present. So many great memories bring a smile to my face. Grateful to have had him in my life.
