“ Dear Pam & Steve,

I am sorry to learn of Jim's passing. I always enjoyed Jim's company. He was a good person and deserved many more years. My deepest sympathy.

“ *I met Jim a few years ago when I taught part-time at Mercy High School. Jim was fun to work with and very beloved by all of his students. He liked the horse races and once took me to River Downs. I think we lost every race that afternoon, but we still had a great time. Jim is a beautiful soul and I am very happy that our paths crossed.*

“ *Our deepest sympathy to Jim's family. I taught at Mercy with Jim for twelve years. What a kind and generous man! His sense of humor gave us many a chuckle, too. Rest in peace, Jim. You have finished your race with grace and patience.*

“ Jim was a dear friend. I taught with him for twenty-one years at Mother of Mercy High School. He was always very helpful and generous with various projects/activities I organized at Mercy. One example: My classes collected and packed items to send to our servicemen in Iraq, but we did not have enough money to cover the \$400.00 postage. Jim said he and his Key Club would take care of it.

Jim, thank you for your friendship, your quiet kindness, your doses of reality, and your sense of humor. You were loved and respected by many.

“ Jim was the best friend anyone could ever hope to have. My wife & I knew Jim for close to 50 years - the most genuine person, always ready with a quick "tongue-in-cheek" humorous story to share! I will treasure the memories....our years at UC, teaching at Mercy, Reds games, River Downs & Turfway, his favorite places for dinner, & so much more! I will truly miss him.....rest in peace until we meet again my friend!

“ I am so sorry for your loss, Pam. Many years ago I remember going to your house in Bond Hill with the Mar-Shel Apartment gang. Jim came home and played Ping-Pong with us in the basement. We all had a great time!
Love you.

“ Jim's adorable smile and quirky sense of humor will be missed. He was one of the most genuine people we have known. He called life as he saw life. The last time we were at Panera, he was enjoying himself immensely and over-indulging in something wonderful with a grin from ear to ear. I started my career teaching with Jim at Mercy, and Larry ended his career teaching with Jim at Mercy 40 years later. We both enjoyed Jim, and we know that the Circle of Mercy meant the world to Jim. Rest in peace, Jim, and go to the track with St. Peter. Love, Mary Beth and Larry Borcharding
