“ Cedar Village between 2014-2021 was the place where I met Janice. I have fond memories of hearing stories about her family when we would sit together in her apartment. Sad to learn of her passing and wishing her family comfort.

“ My wife Carol and I have been friends with Ilene and Louie for several years and I'd often visit Janice at Cedar Village and share stories. I actually met her when she worked at Finer Diamonds years ago and later Weight Watchers. She was so friendly and always had a smile on her face....she will be missed.....thoughts go out to the family!
