“ *I have so many beautiful memories of being at your house and visiting with all of you and your amazing mother. She was always so loving, warm and kind to me especially after I lost my mother. You were all like family to me and I loved living so close to you on Longmeadow. I have such fond memories sitting in your den and just enjoying talking and visiting even after I moved away. Your family was always so loving, warm and kind. I am sending all of you my deepest sympathy and love during this difficult time. Love, Cynthia Jordan*
