“ I went to Ball State music school with Jeff. He was a very nice guy. In the summer of 1967, I went to Europe on a music tour and Jeff was on that tour, too. I can still see him ready to go every morning with his camera on one shoulder and a notebook, pen and a map in one hand. He was always very organized. He was also a part of the wedding party when I got married. I will always remember Jeff fondly, I was saddened to hear of his passing. Rest in Peace, Jeff.

“ Mary Ann and family, we are saddened to hear of Jeff's passing. He was such a gentle spirit, quiet but nurturing soul. I always loved seeing him working in the yard. He took such pride in it and I'm sure in all of his endeavor. May you be comforted in knowing how many lives he touched in a positive way no matter how brief the encounter.

“ Jeff was a great music teacher and friend. It is hard to believe that he has left us so soon.
