“ *On and off over many years, it was a blessing to me to learn from a master lawyer. But so much more important was to be mentored in what it means to live a Jewish life and to support and care for our entire global community. Jerry leaves a mighty legacy for all of us. I send Sue and your entire family my sincere sympathy. --Dan*

“ *Dear Sue & Family, Baruch Dayan HaEmet. Jerry was both a passionate leader of our Jewish community and Menstch par excellence; as well as a true friend. We pray that his life, deeds and memory will always be a source of Brachot and Mitzvot for you...as it will always be for us.*
