“ I have known Jerry for about 8 years. I worked at Cedar Village and he was very close friends with Herman Saltz, that I took care of for a number of years. Jerry is one of the most humble and caring man I knew at Cedar Village. He was devastated when Herman passed away and I would visit him and he loved talking about his special friend and how they were like "Brothers." I feel very fortunate to have known Jerry, and I will never forget him. My condolences to the family, and I will keep Jerry in my thoughts and prayers always!
