“ My mother was his secretary for 25 years and then I had the pleasure of working at Kenner as well. Joe was the best and I am deeply saddened by his passing.

“ I was saddened to learn of Joe's death. I worked with him for many years at Kenner. I remember him being an excellent leader with a talent for making every employee, regardless of their position, feel like they mattered to the success of the company. He truly had a love for Kenner and the toy business and wanted the best for everyone. He will be missed. My sympathies to his family.
