“ Don (as we always called him) will always be my favorite neighbor and friend. So many fond memories of riding in the car, taking out the garbage, playing with the clock in the kitchen, Florida, and lots and lots of Reese's. Sending all my love

“ Ken and I are deeply saddened to hear of John's passing. We have great memories of family get togethers. John was one of the most generous and caring people we know. May his memory be for a blessing.

“ *Uncle John was my very favorite uncle (there was no contest) I have such great memories when Aunt Rita and Uncle John came out to California to visit, Laguna, shopping trips, weddings, bar and bat mitzvahs, birthdays, anniversaries and the best was when I came to stay with you every October until COVID. We would tease each other constantly, we could talk about anything, we laughed a lot!! Uncle John was always there for me. What a kind, caring, generous, funny, loving man. I will miss you! “ *We always loved being with Hank and John. Such a wonderful couple and they were at many of our family events. We spent a few holidays with them at our Passover dinners in Florida. John always had a smile on his face and he was a pleasure to talk to. He organized a men's lunch on Fridays in Florida during the season and my dad was included at his country club buffet. Dad (Ira Dinerman) always looked forward to the Friday get togethers. I loved my lunches and then Saks shopping at California pizza Kitchen with Hank, John, Heidi, Charles and Essie.*

We will miss John and wish we could be with you this Wednesday. You are in our thoughts and prayers.

Love always, Laurie and Steve Miller

“ I am so very sorry to know of John's passing and send my sincerest condolences to Hank Heidi, Jeff, Mark and Essi. I have so many memories that start in grade school and go through my adult life that I can boil down to this: John loved his family with fierce devotion, had a wonderful sense of humor and kindness and silliness. I cannot fathom the enormity of your loss and pray for courage and strength to surround you as you mourn.
