“ I remember only meeting Jonathan couple times and we were both children. However, I remember that he was kind, always willing to play and laugh. I remember meeting him right before a family wedding. He made me laugh and he was smiling when he did so. I am truly sorry about his passing and I hope that his family gets all the love and support from all who were fortunate to meet and know Jonathan during these difficult times. You all have both from me and I will not forget the kind and loving boy I met all those years ago.
-Love,
Jasmine
