“ To Judy Shertok and Joe's family, please accept our deepest sympathies upon Joe's passing. I regret not getting to him him better. I can only hope we weren't too annoying as the neighbors uphill with the swimming pool! Would have loved to have heard his stories. -- Tim Bonfield and family.

“ Dear Joe,
It's so strange to think that just a few weeks ago we were cracking jokes at lunch. I'm so grateful that I have had the opportunity to know you, to enjoy your wit and pragmatism, and to call you a friend. Your memory will be a blessing for so many.

“ Mr. Joe you will be truly missed you were my buddy. I love the way you always love to talk. Love your iPad sometime. I was scared to say something to you because you was so deeply on your iPad. It's all good though. You are at peace now no more suffering, you will never be forgotten. Mr. Joe Danita Loves you

“ I Yvonne had the opportunity to take care of Mr. Joe
He told me all about his life history. I feel like I was privileged to
meet a man like Mr Joe we used to talk a lot. I was able to get him
to laugh a little and when he did, he laughed out loud. He always
wanted me to sit at the table with him even when he's playing chess
when we are just sitting there, we would arm wrestle I gave him a
nickname, big daddy boo-boo, so he started calling me little mama
boo-boo. We went to all the coffee clubs, doctors appointments
haircuts we became very close. I when to see him on Sunday when
I came in. I said hello big daddy boo-boo he turned his head at me,
just if he was waiting on me to come I held his hand. He squeezed
you will be missed, never forgotten
He was a good man, good father, good grandfather and a good
patient. I enjoy taking care of him 💕💕 .
