“ Dear Family of Judy Avner,  
It is with memories and a smile that I write this note. I knew both Judy and her late sister Cherry. Both sisters were years ahead of their time. Cherry as an appraiser of real estate. This was unheard of for a women to enter this male dominated field. But Cherry took on the challenge and was a leader.  
Judy was a real go getter. No matter the field be it cooking, baking, gardening or writing. Judy lead the pack. Judy set the standard for not only women to follow but men also. Education was a big part of her life and she saw to it that her children received the best.  
The Linder sisters set the bar very high and achieved what they set out to do. Judy you will be missed. But left a trail for all of us to follow.
