“ *I played bridge against Julian and Richard many times and we always had a good game and a few laughs.*

“ *We had the pleasure of knowing Julian and Carol from him being a summer Rotarian at the Rotary Club of Petoskey and from the Crooked Lake Yacht Club. Julian was a consummate gentleman and always took an active interest in the local community. Many young sailors have learned from his sailing wisdom and they added much to our community here in the summer. My deepest condolences to Carol and his family. Terry and Betsy Newton*

“ I remember his emotional stirring speech at the wedding of his daughter Nancy and my brother, Rabbi Sandford. He was always gentle, inquisitive and engaging. Despite the storied and remarkably successful life he led, he always showed a genuine interest in the individual to whom he was speaking. I'll always treasure that about him.
