“ My sincere condolences to Floreta and the rest of Justin's friends and family. I very much enjoyed working with Justin in Seoul, South Korea. Such a brilliant man, who loved his work and showed it though his bountiful energy and ever-cheerful spirit. It was truly a pleasure to know him.

All the best,

Brian Miles

“ Justin; a true honor to know him.
Friendly, generous of spirit.
Intelligent; a clear vision of our world.
Humorous, with a twinkle in his eye, made me smile, and he smiled
along with me.
Generous, Justin shared his home; and brotherhood.
From Romania, to Israel, and so many points from there, along his
and Floreta's way, Justin was a mench; still is as long as his friends
keep him in our thoughts and heart.
Thank you Justin for showing us a life well lived.
Thank you Floreta for all you are; your friendship, your artistry.
Love;
Jeff and Marjie
