“ Karl will be missed greatly !! His gentle , warm , and endearing nature is hard to come by - he was the sweetest man I had ever met ! Karl always had a warm smile to give and was a great storyteller who loved a good laugh . The world has lost a truly special person ... who will always remain in our hearts .

“ We especially remember Karl the storyteller. A few minutes into many a Karl anecdote or recollection, a smile would come to Sharon's face and she'd cast a knowing glance our way, as if to say "maybe embellished a bit." No matter, as it was Karl in his element, spinning a tale as only he could.

Goodbye to a great friend.
