“Peter and family, my deepest and most heartfelt sympathies go out to you. May God give you comfort as you grieve her passing. It was a pleasure to know Kathy. I knew her through church, and her smile could light up a room. She was so friendly, encouraging, and positive. She was always very kind and supportive to me. She helped so many people at Ascension Lutheran Church. I will miss her dearly.

“ Kathy was a member of the YMCA. She attended the Shallow Water Class that I instruct. She was always so positive and a breath of sunshine and laughter. I recall months ago she came to class in all of her movement somehow her wedding ring slipped off her finger. Thank goodness those around her looked for it too. The life guard used a scooper to retrieve it. The next class I asked her for her ring to make sure it would be secure in my possession until class was over. She informed me she had it secured place not on her finger. My condolences to Peter, and the family.

“ Dear Peter,

*Those of us who are members of Ascension Lutheran Church in Montgomery, Ohio have been the recipients of Kathy's God-given time & talents throughout the years: First, Kathy, with the support of Peter & their 3 daughters, organized & presented several Passover Seders to our congregation. In essence Kathy & her family taught us, by example, the rich Hebrew historical & cultural traditions found in The Torah.*

*In addition, Kathy served Ascension in various & sundry ways including: Sunday School & VBS teacher, Jerusalem Market leader, trainer of acolytes, president of our church council, & member of the women's Bible study Wheel of Friendship Circle.*

*Kathy also impacted 3 of my own grandchildren while a 3rd grade teacher at SLE in Warren County. Kathy served as our oldest granddaughter Emily's classroom teacher as well as our 2nd oldest granddaughter Sarah's environmental "E-Club" teacher-guide. Sarah was so impressed by Mrs. Teitelmans environmental leadership that she majored in environmental science at OSU! Emily's & Sarah's little brother Ryan was really "bummed" & sad because Mrs. T. retired before he could have her as his own 3rd grade teacher & E-Club advisor.*

*The world has been a better place because of Kathy; indeed, she loved The Lord God & used her many talents with her neighbors. Thank you, Kathy! May God's Peace provide comfort & strength to Peter & their 3 daughters & 2 grandchildren.*

*In deepest sympathy,

“ We will always remember her sunny disposition and her love of family. She was also an amazing teacher for many, many years and several times had her students write and illustrate pages, which she would bind in a simple book to give to her Aunt & Uncle Siegel as they reached their 80s and 90s. Kids did say the darndest things 💕

*She will be lovingly remembered always.*

*Kate & Doug Bandos (& Bear, too, whom they always warmly welcome in their home. 💕*

“ I taught with Kathy at SLE. She was my daughters 3rd grade teacher and was always supportive and shared our love of theatre. She was always ready with a comment and a laugh. One of my favorite memories was a cruise we took with 6 teachers together. Sending condolences to Peter and her girls! ❤️
