May HASHEM bless the Eternal Keter of Larry Byer for all the goodness he brought into this world. As Larry reached to me when my family needed help the most.

Unfortunately the grief is immense on my behalf, as my undiagnosed PTSD got in the way of this. Larry simply wanted me of all people, to watch over his pregnant mares.

Which most probably would have led to me into a much better arrangement than nearly starving to death in post riot Over-The-Rhine. Amen.
