“ Very sorry to hear about the passing of Leah. She was a great friend to my mom, Fay, and their weekly "Mahj" group. They shared a long, great life with countless happy memories and social events. Condolences to the family.

“Our” Leah Cohen was a woman before her time. For the program staff at the JCC who depended on her to keep order in our lives; to add her energies to ours; to add her initiative, intelligence, inventiveness and capacities for work, to ours, she was irreplaceable. And no one knew better than she, who was taking too many pencils from the supply cabinet. She knew we were obliged to spend community money with great care. She was our monitor, our beloved “balibasta”. With it all, nothing or no one was more important to her than her children and grandchildren , She gave and shared everything she could for their well-being. Without knowing it, for the rest of us, she provided the role model for being a working mom, a devoted wife, a significant companion, and, an all-embracing mother and grandmother. Thank you, dear “right-hand”, dear friend. Your leaving makes me very sad.
