“ Dear Matthew, Adam, Jane and Polly, I was so sorry to learn of your mother's death. I have fond memories of her, and I know that your mother's friendship was very important to my mom over the decades that they lived a few houses apart in Cincinnati. I hope that your memories of her will continue bringing blessings to you. I am making a donation in your mom's name to American Jewish World Service as a token of my regard for her.

“ I send my condolences to the children and grandchildren of Leah. She was a warm and wonderful mother, a compassionate and carrying friend, and a woman of intelligence and humor.

She will be missed by her family and friends, but her children are a living reminder of the rich life she both lived and gave.

Oh, I was wondering where Leah has been. Now I see. I have fond memories visiting her in Vlufton with my Dad, Herbert Georgenson. My Mom was Joan Noll Georgenson, sister to Bob Noll and Mary Beyetsdorfer, daughter to Elmer & Eva Noll relation to Gertrude. A Life Well Lived, Leah.
