Leo Harold Munick, age 92, passed away peacefully surrounded by family at his home in Wyoming, Ohio on August 21, 2023.

Born on June 29, 1931, in Malden, Massachusetts, Leo's passion for life and spirited determination were characteristics that defined him from his earliest days. A lifelong endurance athlete, Leo's love for physical challenges was evident in his biking adventures from Cincinnati to St. Louis and walking marathons into his late eighties. In his free time, he also expressed his creativity through a love for gardening, collecting art, and championing local artists, and indulged in life's sweet pleasures like Graeter's ice cream and fine wine.

and Karen (Munick) Klein; son-in-law Stephen Haffer; and grandchildren Jane Haffer, Drew Haffer, and Jordan Klein. He leaves behind a legacy of love, kindness, and wisdom that will continue to inspire all who knew him.

A private family ceremony will be held to honor Leo's life. His family is deeply grateful for the support and love shown during this time and requests privacy as they celebrate his life and grieve his loss.

In remembrance of Leo, consider enjoying a scoop of Graeter's ice cream, raising a glass of wine, or supporting a local artist in his honor. Contributions can also be made to the Schools of Nursing at either Miami University or Cincinnati State.

“ Dear Alice, Lisa and Karen,
Chuck recalls Leo fondly, when they all lived on Paddock Hills Avenue. Chuck and his twin brother, John, cut Leo's grass. Leo was always very particular about his yard but also asked them how they were doing and took an interest in their activities.

When we moved to Wyoming, 35 years ago, Leo showed the same kindness and interest and taught our son Alex how to garden. Alex would go over to the Wyoming house and help Leo plant and weed the vegetable garden.

Leo would wave to us as he did his daily walks in Wyoming. He was a kind generous and loving man. We will miss him dearly. Know that your are in our thoughts during this difficult time. May Leo's memory be for a blessing.
