“ We are saddened beyond words by the loss of our friend and colleague, Les Kovel. Les was a uniquely talented real estate professional who was a strong advocate for his clients and always kept a positive attitude despite the difficulty of the situation. He was creative, compassionate and a visionary in the industry and he will be missed terribly by all of us. Les will remain in our hearts and the great work that he did left a positive impact on the world that will stand the test of time. Our love and prayers go out to his family that we know he cherished.

“ Rest in peace, Les. You were a kind man and I always enjoyed working with you and our lunches at Gabby's in Wyoming. I remember when you launched the new service station in Lockland and you were beaming with pride. You left a good mark on the world and you will be missed.
