“ Les was a very good friend to me , treated me like a son , whenever
I was around him , I was always welcomed in Waterman home ,
they made me feel like I was apart of the family , I will deeply miss
him and his corny jokes , , my thoughts and prayers are with Donna
, his wife and Scott , Rochelle , , his children and his grand children ,
and I must'nt forget the rest of the Waterman Family , for today ,
God accepts another angel into the Kingdom of Heaven , may you
rest in peace Les , and remember that one day we will see each
other again .

“ My thoughts of " mr" waterman are many but one I bring up a lot is the day he was in my shop and I was using a push broom..he showed me how he used to use that type of broom in the navy..just the other day,we were cleaning out the garage and my husband was sweeping...I took the broom and told him," mr" waterman showed me how to use it correctly so as not to raise a lot of dust. He was a gentleman always and was proud of his children.

“ Les was also a devoted nephew to my mother throughout the years. Years may have passed but he never lost contact with his Aunt Florence. He made sure that our families stayed in touch no matter what . Family was very important to him as his closeness with his wife and children are his legacy.

Bless Donna and her family through this most difficult time. Les, my cousin, rest in peace.

Love,

Sonia and Joe
