“ Libby was one the most beautiful and sweet people I have known. Some of my fondest childhood memories are of spending time with Libby and my Grandma. Her kindness and patience were examples of how we should all treat each other and aspire to live our lives. Her love will live on through all her family and friends.

My deepest condolences to Elaine and Ken Schneider, David and Renee Fleischer and Kayla and Jake Blosser.

“ Libby was such a kind and wonderful friend. She was a good friend to my mother for many years. Mom often asked me to get Libby on the phone for her. As Mom declined, I started talking to Libby more. I never met her but so enjoyed our conversations. Long after Mom was gone we chatted with each other. I always looked forward to our chats and our love for animals.

I send my warmest condolence to Elaine and family and David and his family. Your mother will be greatly missed.

“ *Libby was one of the most kind-hearted and loving people I have ever had the pleasure of knowing. I will miss her very much.*

I would like to extend my deepest condolences to her family, Elaine and Ken Schneider, David and Renee Fleischer and Kayla and Jake Blosser. May they take comfort in the knowledge that their mother's love is alive forever. In the lessons she taught, the patience she gave, and in the hearts of the children she raised. Libby still shines on~

I taught at Yavneh when Libby worked in the school office. It was always a pleasure to go into the office because she always greeted me with a smile and warm words of welcome. I visited her at the Zoo's office after that. Carol, Donna, and I had lunches with her after she retired. Libby was such a sweet, sincere person. She will be missed.
