To the Drasnin

To the Drasnin Family- The Matlin family is very saddened to learn of Linda's passing. Linda was a spark plug, who lightened up the room visiting with the Litwin and Matlin families, with the Davis yearly visits to Montreal. Linda's smile, her warmth and the love that she exuded made those visits so special. We will all miss her and offer our sincere condolences to a beautiful lady, inside and out! Love to all.

“ *Linda was my longest friend. We met in junior high in 1954 and remained close friends for 70 years. She taught me how to jump rope double Dutch. We went on double dates with Ron and Howard. We were in each other's weddings. We grew up around the corner from each other in Bexley and years later lived on the same street in Amberley. Linda has always been an important person in my life. I already miss you dear friend. Phyllis Ringel*
