

## Lisa Beth Lisbin Chandler

May 20, 1971 - April 29, 2023

Lisa Beth Lisbin Chandler, May 20th, 1971-April 29th, 2023.

Lisa Chandler was a beacon of light and beauty to those who were already in the sunshine and especially to those in a storm. Her ability to connect with so many people from so many backgrounds was her special gift. A woman with a commanding physical presence, she had an innate way of making those around her feel better by sharing her vulnerabilities. There are countless people she brought encouragement to through her many personal and professional relationships that she easily turned into long-lasting friendships. Aside from keeping up with her community network, she had great love and passion for her pets, music, the beauty industry, fine dining at home and restaurants, popular culture, laughter, and mostly, her family. She leaves behind the loves of her life, her daughter Lily and her husband, Tyson. Also mourning her loss are her brother Jeffery, her in-laws Merrice and Jim Chandler, brother-in-law Tobin Chandler, and many other beloved aunts, uncles, nieces, and cousins. She was preceded in death by her beloved parents, Bruce and Anne (Berell) Lisbin. There will be a memorial for Lisa on Saturday, May 20, 2023. A small service for family and friends will be held at 10:00 at The Gatherings 10627 Techwood Circle, Blue Ash, OH 45242. All are welcome to join from 12-3 at Firehouse Grill 4785 Lake Forest Dr, Cincinnati, OH 45242. In lieu of flowers, please consider donating to Lily's Scholarship Fund: [https://www.gofundme.com/f/318e9w9qvc?utm\\_source=customer&utm\\_](https://www.gofundme.com/f/318e9w9qvc?utm_source=customer&utm_)

“ I’m so sad for your family. Lisa made my Thursday while working with her at Mitchell’s Salon. She was a pleasure to be around and always knew just what to say at the right time. Rest in Peace you beautiful angel.

“ Met Lisa while working at EF many years ago, she was always friendly and a very "hugging" person. RIP Lisa, you are now pain-free.

“ My deepest condolences to Lisa's family. I only knew her for a short while at P&G, but it was immediately obvious what a wonderful, funny, smart person she was. It was that crazy "what is this place?" stage of a new job, but I certainly know that she made an impact on the people around her even in that short space of time.
