“ Geoff, I just saw your Mother’s obituary in the paper, I am sorry for your loss.

*You will always hold a place in my heart for your gentleness, your dry sense of humor and caring nature. Please know that you are remembered.*

“ Lois, always the most lovely cousin. How well I remember the many times we got together when I was a high school kid and Karen was a baby. I'll always be grateful for Lois taking it upon herself to host us all after my mother's burial.
