“ Last time I saw you was at a very muggy hot baby shower this past summer....Oh my we all baked along with that "bun in the oven" that day. And still you laughed and smiled, just happy to be there. That's what I remember about you as you were growing up too.

So, here's to you Lori – The lady with smiles and giggles to share; may we all be so blessed as to have you drop the gift of laughter and the warmth of a smile into our lives from your new place of peace.
