“*Lou-you were one of a kind and you will be missed by all who knew you. You were one of the few people I have ever met who always had a smile on his face. I am sure there is a box of chocolate donuts waiting for you in the next world. May your memory always be for a blessing.*

“*Dear Dollin Family,*

Our thoughts and prayers are with your Mother and family at this time. "Lou" was such a great man and real comedian.

He always had a smile and brought many laughs to the countless Shoe shows we attended!

“*I will always remember Lou because every time I saw him, the only thing I saw on his face was a smile. The only time I would hear his voice was to only speak good. He was and will always be the role model for all of us who wish to be a mensch. May your entire family be comforted among the mourners of Zion and Jerusalem.*

“ Dear Bev,
Just learned of the loss of your beloved Lou. Am sure that you have many, many wonderful memories and these will help comfort you, during this very sorrowful time.
"Sam, Sam, the Garbage Man," is one of his many humorous quotes, which I will never forget.
Take care.
