“ I'm so sorry to hear of your loss. I fondly remember my parents turn at hosting "Club", with all 7 couples that knew each other from the time they were single. I would see your mom at Cedar Village whenever I came in to visit my dad. She always had a smile for me.

“ So sorry to hear about the passing of my mom's friend, Lucie. They were part of a bridge group that met in each others' homes over a span of many years. Lucie was the youngest and surprised them one day with her story of her family's survival due to the kindness of a farmer who allowed them to hide in his barn during ww2. Lucie was likely the last living member of the bridge group. Please accept my deepest sympathy during this difficult time.
