

Lynn Denise Deckter

October 8, 1950 - November 15, 2025

Sadly, our beloved Lynn Denise Deckter, of Cincinnati, Ohio, passed away on November 15, 2025 after courageously battling ovarian cancer for over a year. Lynn was born on October 8, 1950, in Los Angeles, California, to Dolly and Hubert Huddleson. Lynn studied nursing and met Howard Deckter while attending nursing school at L.A. County. They were married on June 29, 1975, and soon welcomed their first child, Marc, in 1976, followed by Tracy in 1978 and Leslie in 1982. Lynn went on to earn her Bachelor of Science in Nursing and a Master's Degree in Psychiatric Nursing from the University of Cincinnati, later serving as an advanced practice nurse in a variety of clinical settings, including serving as the clozapine clinic nurse at Central Clinic, which she took great pride in.

Lynn is survived by her devoted husband, Howard; her children, Marc, Tracy, and Leslie; and her cherished grandchildren, Oliver and Marshall. She also leaves behind a loving and heartbroken circle of relatives and close friends. Lynn was a compassionate, empathetic, and elegant woman with impeccable taste. She had a deep appreciation for the opera, ballet, crime shows, and fashion. Spiritually grounded, Lynn held a profound love and concern for children and was fiercely protective of those she loved. She touched the lives of everyone she met with her intelligence, courage, kindness, and grace. Her greatest joys were the love she shared with her husband and the immeasurable pride she felt as a mother and grandmother.

“ Nurse Lynn Deckter, we recognize you and pay homage to your dedication to the profession of nursing.
Your life as a nurse is not remembered by your years as a nurse, but rather by the difference you made by stepping into people’s lives...by special moments.
We extend our deepest sympathies to your family.

“ I came in to visit Lynn not too long ago when I was in Cincinnati picking up a car that I had bought. Lynn (I hope I’m spelling it right!) was one of my friend Marc’s mom and I will always remember her peaking into his room with this look of “what could they possibly be doing in there” while offering us some sort of snack or cookies. She was the nicest person and even at the end of her life she was more concerned about being there for the people around her than she was about herself.

“ Mom, you were the best Mom and Grandmother anyone could have ever wished for. I’m so proud to be your daughter. I love you forever and ever. Now rest easy and in peace. May your memory be a blessing.
