

Mahina Zelda-Wren Schweiger

January 11, 2019 - March 10, 2026

Mahina was born in Cincinnati Ohio at Bethesda North Hospital on January 11th, 2019. Ever since she has made an impact on so many lives. Her name is derived from the word Moon and means “a light that shines in darkness”. That is exactly who she was. Mahina has faced so many battles, remained so strong, and overcame every single one of them. She was diagnosed with Diffuse Midline Glioma in 2024 becoming her final battle to face. She took it all on headstrong, full of determination, and beat so many statistics along the way. We were so blessed to fight alongside her and cheer her on along the way. She took her last breath at 11:07am on Tuesday March 10th, 2026. There is so much we could say about this precious girl but we don't even know where to begin. Though we miss her terribly already, we trust she is pain free and full of joy dancing around with Yeshua until we reunite again one day.

A celebration of life will be held Tuesday, March 17 at 4:30PM at Free People Church (453 W. Main St. Mt. Orab, OH. 45154). Guests may arrive as early as 4PM for prior fellowship.
