“ I am so sad to see thus and to have missed the celebration of his life. I worked with Marc several times when planning events for Ethicon Endo-Surgery. He always did such a great job working collaboratively to bring our desired vision to life. He was so sweet and professional with such a calm demeanor. I am sure you miss him so much.

“ I worked with Marc at SPCA Cincinnati when I was the event planner. He was always very helpful and willing to do anything I needed to make the event a success. We became very dear friends as we shared a common heritage. I will miss his positive attitude and always smiling face! Rest in peace dear Marc.

“ We met Marc when we moved to Cincinnati and started working in the special event arena. He welcomed us, encouraged us and became a great business partner and friend. So sad and too young!
