In Loving Memory of Marc Allen Werthaiser

Marc Allen Werthaiser, age 61, passed away on December 15th, 2023. He was a beloved son to Joseph and Shirley Werthaiser, a cherished brother to Gail Schottenstein, and a devoted father to Adam, Chase, and Julia.

Born and raised with love and care, Marc's life was marked by a deep sense of pride in his work and a passion for animals. A dedicated veterinarian, he found fulfillment in caring for the well-being of countless creatures. Marc's journey began with a Bachelor's degree in Biology from the University of Cincinnati, followed by an illustrious pursuit of knowledge that culminated in a Doctorate in Veterinary Medicine from The Ohio State University. His commitment to excellence extended to two years of post-doctorate work at the University of Illinois.

Marc was not only a distinguished professional but also a man who embraced his Jewish heritage with pride. His faith was an integral part of his identity, shaping the values by which he lived his life.

Outside of his professional pursuits, Marc discovered joy in simple pleasures. He was an avid fan of the Cincinnati Bengals, finding excitement and camaraderie in the victories and challenges of his favorite football team. Yet, his deepest fulfillment came from caring for animals, a passion that brought

immeasurable happiness to his life.

A graveside service to honor Marc's life will be held on Tuesday, December 19th, at 1:00 pm at the United Jewish Cemetery - Montgomery, 7885 Ivygate Ln., Montgomery, Ohio 45242.

In lieu of flowers, the family kindly requests memorial contributions to be made to the Humane Society of the United States, an organization that resonates with Marc's compassionate spirit and dedication to animal welfare.

As we remember Marc, let us celebrate the rich tapestry of his life, the impact he made on others, and the love that will forever endure in our hearts. May his soul find eternal peace.

“ The gentle and positive friendship that began decades ago when Marc and my son, David became three year old neighbors and playmates through just days ago when David was in town and spent one afternoon with Marc. Good buddies. Our hearts grieve from this loss.

I screamed loudly when I read Marc's name in the Obituary column of the Israelite. Funeral had already passed. I had not idea that he had died. He was such a sweet, thoughtful, kind next door neighbor. He took devoted care of his mother until she passed away.. He certainly will be missed by all who knew him.

💔 So sorry to hear of Marc's passing... 😞

It breaks my heart to hear the news that we have lost such a great friend. Marc was truly one of a kind, someone who brought joy and laughter to our lives, and his absence will be deeply felt by all who had the privilege of knowing him. 😞

One of the things that made Marc so special was his incredible bond with animals. He had a gift for understanding and connecting with them like no one else. Whether it was his own pets or strays in the neighborhood, he always went above and beyond to ensure their well-being. 🐾

But Marc was more than just an animal lover; he was a friend who could always lighten the mood. His sense of humor was contagious, and there was never a dull moment when he was around. In times like these, it's important to remember the moments we shared with Marc, the laughter he brought to our lives, and the kindness he showed to all creatures big and small. Though our hearts are heavy with grief, let's honor his memory by being there for one another, just as he was for us.

Rest in peace, dear Marc. You will be greatly missed, but your spirit will live on in our hearts forever. 🙏🌟
