“ Nancy and Michael, I have very fond memories of your mom. She sold our bi-level and sold my mom's house. She was very good at her job. But I also remember her as a grandmother and we would car pool the girls to dance class. You are lucky to have had her so long. We lost Rick this past April to pancreatic cancer and I am grieving too. My deepest sympathies. Susan Burdick

“ I was very sorry to hear about Marcia's passing, and would like to extend my deepest sympathy to your entire family. Marcia was a very special lady and one that I will never forget. She was always very kind, and even shared her brisket and kugel recipes with me! I hope that each of you will be comforted by the many wonderful memories that you have of her.
